Helen Teede

Biography

Born 1989 in Harare, Zimbabwe. Lives and works in Harare, Zimbabwe.

Helen Teede was born and brought up in Zimbabwe, where she currently lives. Her research and art practice is influenced by the relationship between power and writing and the historical trajectory therein. Her work is an exploration of the ways in which the earth's surface can be "read", and how we determine our position as a species that marks the world in impactful ways.
